**T**HIS Catalogue represents everything that is best in Seeds. We have established and maintained the highest standard of quality known. On our own trial grounds of over 26 acres we test and re-select the World's Finest Strains by the World's Best Growers. Our test means more than simple germination. Our aim has always been to make "STEELE, BRIGGS" name on Seeds of any sort a guarantee of the best, and this security of quality and satisfaction is the basis of all our dealing.

**THE 1926 SPECIAL PRICE LIST** is presented with the utmost confidence that the wide range of Seeds, etc., quoted herein are of the Highest Standard of Excellence and as such will fully satisfy the most critical market gardener and experienced planter who considers quality as the first basis of a good crop.

**PRICES** All quotations herein are the prices ruling at the date of this list, and are subject to change without notice.

**TERMS** No credit is given unless purchaser is known to settle bills promptly. In no case will credit be extended after June 1, 1926.

Interest charged on all overdue accounts. Special prices to customers paying cash on receipt of goods.

Any claims for allowance, errors or credits, must be made within ten days after arrival of goods, otherwise they will not be considered.

**CONDITIONS OF SALE:** Steele, Briggs Seed Co., Limited, gives no undertaking or warranty, express or implied, and will not be responsible for damages arising from any breach of condition, express or implied, as to the variety, description, quality, productiveness, or any other matter of any seeds, bulbs, or plants it sells and will not be in any way responsible for the crop.

If the purchaser does not accept the goods on these conditions, they are at once to be returned. The preceding sentence, however, does not imply that we will take back parcels that have been opened up or otherwise tampered with. Please do not ask us to do this, as it is neither fair to our customers nor to ourselves.

## ONION

In the Onion crop, the character of the seed purchased means a lot to the grower. Earliness, uniformity in size, type and maturing qualities are prime essentials.

Our strains of Onion Seed are exceptionally fine, are grown expressly for our trade by the most reliable growers, and will be found second to none in the market.
